Join us to ring in a new year of ACOM Cinema Saturday with a tribute to Cher!

2018 was a big year for Cher (Cherylin Sarkisian): she released her 26th studio album, the chart-topping *Dancing Queen*; embarked on her *Here We Go Again* international concert tour; was the subject of the hit Broadway musical *The Cher Show*; and was one of four annual Kennedy Center Honorees, for artists who have made extraordinary contributions to American culture.

Cher won the Best Actress Academy Award for her performance in the 1987 romantic comedy, *Moonstruck*, which co-stars Nicolas Cage and Olympia Dukakis.
